WHAT IS GRAIN FEED & MILLING MAGAZINE?

The monthly 'Grain Feed and Milling Magazine' is publishing from South Asia's agriculture based Bangladesh in front of the theme, 'Know the Grain Feed and Milling World'. This Well Circulated Magazine (Print & Online) is publishing including latest news of grain feed and milling sector all over the world, special focusing South Asian grain feed and milling market and playing the role of South Asia's Grain Feed and Milling Market's like one of the spokesman. Grain Feed & Milling Magazine is the sister concern of LIMRA Trade Fairs & Exhibitions Private Limited. This LIMRA group has vast experience on Industrial Agro Trade Fairs & Exhibitions since 2007, including Grain Technology, Food & Feed Technology, Milling Technology, Dairy & Poultry Industry, Meat Processing Technology etc. LIMRA cooperates closely with a great number of prestigious media, industry chambers, branch associations, trade and commercial sections, fair organizers from Europe, Asia and North America. Over the past 13 years, a huge database of grain, feed and milling sectors has been created in LIMRA. Now LIMRA is a great reliable bridge between Buyers, Sellers, Growers, Vendors, Entrepreneurs of agricultural all sectors specially Grain, Feed & Milling sectors. Every year, updates to the agriculture and agricultural technology fair or exhibition, business news from more than 30 countries of the world including South Asia, are published in this magazine every month. LIMRA's years of valuable experience allow it to develop constantly new concepts and keep pace with latest trends and developments. Its exhibition's initiates and organizes world-class exhibitions offering the ideal platform to do better business.
